VISION OF THE COLLEGE

The vision of Government Model College, Kaziranga is to create a full-fledged Higher Educational Institute of excellence with classical infrastructure facility having futuristic approach to impart Holistic Education in Humanitarian science with futuristic provisions of Science, Commerce, Technical Education, and Health including skill courses.

MISSION OF THE COLLEGE

The Mission of the Government Model College Kaziranga always strive to -

- *Create high end Infrastructure facility including building, playground, library and other allied facilities to host minimum of 3000 entrant at a time by intricately working with department concern, to the Government of Assam.*
- *Recruiting adequate manpower both teaching and non-teaching for smooth functioning of the Arts stream from 2020.*
- *Strategic endeavors to impart holistic education including skill based co-curricular activities making them towards academic excellence along with self-employability aligning to NEP, 2020.*
- *Impetus to produce erudite personalities who with their charismatic presence in the society make GMCK as institute of importance at Local, Regional, National and in International arena.*

PRINCIPAL'S DESK

Dear All

Greetings from Principal's Office!

It is indeed great pleasure, and a great honour, for me to lead the young Government Model College, Kaziranga (GMCK) a State Government College located in Kaziranga, a UNESCO World Heritage Site and habitat of the one horned Rhinoceros to build as higher education of eminence for teaching and learning in the field of humanitarian study.

As I embark on this exciting journey, I invite you to join me and contribute towards the exciting field of humanitarian studies in Teaching, Research, Consultancy, Society, Career development etc.

GMCK, as an emerging institution of present times, provides the platform for the dreamers to be expert and reach greater heights in the subjects which are imparting in Under Graduate courses i.e., Assamese, English, Economics, Education, History, Political Science and Sociology, respectively.

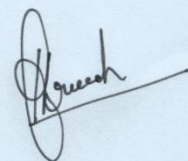

I personally request all the present faculty members, staff members, associated teaching fraternity, and students to come forward and provide insightful constructive criticisms to make this young college to get its own shape in regional, national and international arena as a place of excellence/eminence in education. I request each and every faculty, and other staff to contribute in various segments of teaching, which invigorate you to research in the best possible ways. The main agenda, I am setting is to create a world class infrastructure facility

within next three to four years of time with the support from planned Government agenda and with ample space for all-round development. The cited goal for all of us is **POSITIVE ‘++’** in right time. To begin with, at present we are doing many positive things; let us continue to keep adding towards this positivity.

By the end of the year, 2023 we will have a chance to enjoy the fruits of the 1st batch of the unseasoned nurtured alumni. I would like to request all the faculties and students to tie the consorted golden hand shack to achieve our cited goal. Both should open your hearts and share all your difficulties and thoughts to display GMCK as alma-matter of proud with the greatest International impact. Hope, each and everyone will share their game changing ideas and help us in achieving them.

GMCK, from the inception, each and every member and the memorable active support received from District Administration in all the sphere for the growth in academic curriculum and related inter-alia contribution are worth mentioning. I would like to request my esteemed colleagues to put Extra Leap in attracting more visibility.

Finally, I am informing each and everyone through this message that I have joined this profession with a mission to build GMCK a premier institute of teaching learning to take it to the top ranked institute of eminence. Hope you will all be part of it and will join hands in this endeavour.

Dr. H.P. Deka Boruah

ABOUT GOVERNMENT MODEL COLLEGE, KAZIRANGA

Government Model College, Kaziranga which has been initiated by the Government of Assam as a premier institution was established at Kaziranga, the world famous place of UNESCO natural heritage site as well as the World iconic place for promoting higher education across the country in the month of August, 2020. Since then the college is known as **Government Model College, Kaziranga and now onwards coined as GMCK** with a distinct identity and considered as new **Government College**. The college is located at 26.60344⁰ latitude and 93.41323⁰ longitudes. The campus of the college is around 300m away from 37 No. National Highway and is located 4 km away from Kohora, the centre place of the Kaziranga National Park. On the other, it is situated approx 226 KM west of Gauhati University > 221 KM east of Dibrugarh University, 226 KM South of Assam University Silchar while 222 KM to Madhabdev University and close to Tezpur Central University ~100 K.M. Well connected to the rest of the country by roadways, railways, and airways it serves as a gateway to eastern Assam. The college is well-connected from different directions of the state via roadways, railways as well as airways. Buses, cars and other vehicles are available connecting the road to college in all weather. The nearest railway stations of the college are Furkating junction, Golaghat and Jakhalabandha under Noagaon district. The neighbouring air connectivity to the college lies at Jorhat, Dimapur, Tezpur and Guwahati.

The college is enriched with its vast resources of flora and fauna and especially for its surrounding tea plantations. Presently the college has 7 departments with 21 faculties and one librarian. Currently, the college has one RCC building with the ground floor and four half-walled buildings to run the classes. With the basic aim of promoting higher education in the state of Assam specifically among the surrounding population of Kaziranga; the GMCK is always striving to fulfil the dreams of every student. In addition, the college is also in the verge of introducing modern innovative techniques for imparting quality education. With renewed attention towards both infrastructural and academic development, the college has proposed the introduction of Science and Commerce streams very soon in aligning with National Education Policy 2020. Being a model college, the institution has planned to introduce innovative and vocational courses too.

About the Department

The department of English, Government Model College, Kaziranga, known for its vibrancy and persistence, was established in the month of December, 2020 and from its inception it is committed perpetually to cater knowledge to the student community of the programme of Four Year Undergraduate Programme (FYUGP). At present, the department is fortified to accommodate 60 UG students. Starting with three accomplished faculty members, the department is playing an indispensable role in the process of shaping the college as a whole. Organizing from time to time different Seminars, Conferences, and Workshops as well as invited talks, the Department of English constantly has displayed its enthusiasm to get the students of the college engaged for their all-encompassing development. Considering the importance of language teaching to the students as well as other nearby beneficiaries, the department shows its keenness at all times. Considering the strategic location of the college amidst the green hub Kaziranga National Park which is the centre of attraction for thousands of foreign visitors across the year, the department strives to open Post-graduate courses also that will surely fill the void in higher educational arena.

Vision

- To provide adequate pedagogies including a healthy environment, classroom, resources, and technology.
- To help students see themselves as professionals as part of a discipline with skills and abilities valuable in teaching, publishing, and post graduate works.
- To give students a sense of themselves by encouraging participation in diverse national and international workshops, seminars, and course work.
- To balance the need of general education— communication, global perspectives, interdisciplinary studies with those of the major content.
- To ensure that students encounter creativity through readings by professional writers, critical production and presentation.

Mission

- To help students in fortification of knowledge of the course content and creative writing.
- To provide students with education of the highest quality in the English language, in creative and critical writing.
- To impart knowledge of literary theory, literary history, literary forms and a wide variety of texts.
- To acquaint students with English language and literature.
- To enhance the writing skill and critical thinking capability of the student community.

About the Department: Department of History was established in 2020 since the inception with three experienced faculty members having specialization in diverse fields of history. The department offers both higher secondary and Four Year Undergraduate Programme.

Vision

To make students aware about political, economic and social changes in the past and their relation to the historical context of the period under study.

To impart the holistic development of the students considering their relationship with the society in general and Kaziranga in particular.

To make the students understand and locate various historical problems and debate relating to local, regional, national and global scale.

To develop historical (subject specific) skills including the ability of critical and logical thinking.

To make the students aware of the various scopes in the discipline of history which will help in moulding their career.

Mission

The department seeks to instill in students the skills necessary to become critical and independent thinkers and citizens, imparting the skills necessary for full and successful participation in society. Department also aims to promote learning about the past to enable students to gain a better understanding of the contemporary world and make connections to the future.

About the Department

The Government Model College, Kaziranga, was established in 2020 and the Department of Political Science constitutes an integral part of the college. The department at present consists of three faculty members and it offers Four Year Undergraduate Programme.

Vision

Consistent with the vision of Government Model College, Kaziranga, the Department of Political Science aims to provide a Liberal Arts Education that prepares students for professional careers and lifelong participation in a democratic political system.

Mission

To impart value-oriented education and skill-based training that foster leadership traits of the learners, thus generating sustainable development, social harmony, and peace. Dissemination of quality education for intellectual development and the enhancement of critical thinking stands as prominent goals of the department. From humble beginnings as a Department with H.S. and B.A. courses, the Department of Political Science strives to start M.A. courses in Political Science and other specialized courses in International Relations, Human Rights, and Public Administration in near future. Increasing the number of students' intake capacity in the department is another important goal.

About the Department

The department of Sociology, Government Model College Kaziranga was established on December 2020 with Higher Secondary Programme and now provides Four Year Undergraduate Programme. The department is dedicated towards generating competent and socially sensitive individuals through teaching/training programme. It trains students to grasp the social structures, understand the social processes, map the dynamics of social change and make sense of individual and collective experiences in their proper social context. The department places emphasis on integrated learning based on classroom lectures, interactive tutorials, use of audio-visual material, seminars, extension lectures and coordinated-multipronged internal assessment.

Vision

The Department has the vision to provide equitable and quality sociological knowledge among the students. The department aims to create a knowledge movement among the students through empirical work.

Mission

The mission of Department of Sociology is to develop sociological imagination and critical thinking in our students and also create an active learning environment. The department aims to promote scientific understanding of social life through teaching and service activities.
